+ Prevalence counts are an estimate of the number of survivors on 1/1/2023 who were diagnosed between 2001-2022.

MAINE CDC CANCER REGISTRY (MCR)

The MCR collects information about all newly diagnosed cancers in Maine residents to better understand cancer, identify areas in need of public health interventions, and improve cancer prevention, treatment, and control.

MAINE CDC COMPREHENSIVE CANCER CONTROL PROGRAM

The MCCCCP is funded by Maine's Centers for Disease Control and Prevention. The program provides leadership and coordination of Maine's statewide comprehensive cancer control efforts and is guided by the goals and objectives outlined by the Maine Cancer Plan.
