

Landowner Self-Designation as Underserved

This is an optional form for landowners self-selecting as underserved. Landowners must follow the definitions provided by the U.S. Department of Agriculture. Landowners whose property has been identified as geographically underserved by their District Forester do not need to complete this form.

Definitions of each underserved category are available at the following web address: <https://www.nrcs.usda.gov/our-agency/historically-underserved-farmers-and-ranchers>

By signing this form, I certify that I am a historically underserved landowner. Select the underserved designation that best applies to you from the list below.
