

**SYMBOL KEY**

|                      |                                                  |                      |                                      |                                            |
|----------------------|--------------------------------------------------|----------------------|--------------------------------------|--------------------------------------------|
| Surface Water Bodies | Potential Aqueous Film Forming Foam Release Area | Shallow Bedrock Well | Modeled Bedrock Groundwater Countour | Groundwater Divide Flow Direction          |
| Stream               | Former Installation Boundary                     | Deep Bedrock Well    | Bedrock Groundwater Flow Direction   | Interpreted Groundwater Basin Flow Divides |

**Label Notes:**

JMW0001 - Bedrock Monitoring Well Location Label  
Yellow Label - Monitoring wells installed during the Remedial Investigation  
White Label - Existing Monitoring Wells  
Co-located samples: Shallow Bedrock label is placed above Deep Bedrock label
