Good morning.

I am writing to inform you of personnel changes at the Board.

I will be retiring this fall and the Board has hired William Hinkel as its Executive Analyst. Bill most recently served as a Regional Supervisor with the Land Use Planning Commission. He also has several years of experience with the Department of Environmental Protection where he served in several technical and managerial capacities in the Land and Water Bureaus.

I will be working with Bill during a transitional period to ensure that projects continue to move forward. Bill will be acknowledging the most recent correspondence regarding the request for continuance and will be providing an updated service list. Bill can be reached at [bill.hinkel@maine.gov](mailto:bill.hinkel@maine.gov) or (207) 314-1458.

Thanks for your attention to this matter.

Cindy
