
NOTICE OF INTENT TO FILE
MAINE WASTE DISCHARGE GENERAL PERMIT FOR POST
CONSTRUCTION DISCHARGE OF STORMWATER IN THE
LONGCREEK WATERSHED

Please take note that, pursuant to the Maine Department of Environmental Protection General Permit for Post Construction Discharge of Stormwater in the Long Creek Watershed, MEG1900000, (applicant)

of (address) plans to file a Notice of Intent for coverage with the Department of

Environmental Protection (Department). If the coverage is granted, it will allow the Post construction discharge of stormwater in the Longcreek Watershed at (name of facility)

located at (name of receiving water), in (town), Maine, subject to the terms

and conditions of the General Permit. The Notice will be filed on or about (date)

and will be available for public inspection at the Department's Augusta office during normal business hours. A copy may also be seen at the (municipal/county) offices in

(municipality or county if unorganized)

A copy of the General Permit may be obtained from the Department or on the [Department's Website](http://www.maine.gov/dep/water/wd/gp.html) (<http://www.maine.gov/dep/water/wd/gp.html>)

The Department will take no action on the Notice of Intent until 30 days from the date of this publication. Any person wishing to submit comments to the Department regarding the Notice of Intent should do so in writing within 30 days of this publication. Comments should be limited to the applicant's ability to comply with the terms and conditions of the General Permit. The Department will take these comments into consideration in determining whether to approve of the Notice of Intent.

Written public comments, requests for information or questions may be directed to the Maine Department of Environmental Protection, Division of Water Quality Management, Antifouling Paint Permitting, State House Station #17, Augusta, Maine 04333. Telephone (207) 287-7688.
